Dear Children & Parents,

New and Continuation enrolments for Term 4 2021 are now being accepted.

For all new children, Head Start is the program we conduct for several terms or until you reach the standard to play on a three quarter court. Once this level is reached we call it Hot Shots. We hope you enjoy the coaching and we look forward to seeing the children improve again this term.

All Children continuing will progress to the next stage of the program.

The program runs for 6 x 30 minute sessions, the cost being \$100.00 (A racquet can be purchased for an additional \$30). A Family discount applies if a 3rd Family Member is enrolled, (Please ask)

YOU WILL BE NOTIFIED OF YOUR CHILD'S SESSION BY Monday 18/10/21
